Please also refer below 2 FAQs:

Q: Can I use Google Chrome or Firefox with NVR?

A: Please install "IE Tab" browser plugin as below for use with Chrome or Firefox.

For Chrome: https://chrome.google.com/webstore/detail/ie-tab/hehijbfgiekmjfkfjpbkbammjbdenadd

For Firefox: https://addons.mozilla.org/en-US/firefox/addon/ie-tab/

Q: How to Access AirLive IP Camera on IE11

A: Why I can't see the live view image on IE11?

Due to IE11currently doesn't support ActiveX component, so you need to add the IP Camera to the "Compatibility View Setting" then you can easily access to the camera and view the image on IE11. Please refer to the attached file for your reference.
