Why it show up the Service Uninstall when I login the CamPro Express 64?

Ans:

Please note that CamPro Express 64 support on OS as below:

OS: Windows XP, Windows2003, Windows Vista, Windows 7 (32 bit edition) Please follow the Software Installation steps as below to avoid the above mention situation:

1.>Open the software folder and double click on the setup.exe for starting the installation. If your operation system is Windows Vista or 7 (32 bit edition), please right click on the setup.exe and select the "Run as administrator" for installing the program.
