

**FE-501OD Water-Proof RJ45** ▶  
Connector Installation Guide

AirLive FE-501OD provides extra connections with outside devices via water proven RJ45 connector, ACC-MMC-FE. User can make the connectors to support 1) Video Out, 2) Audio In, 3) Audio Out, 4) Terminal Block for GPIO. Please refer to following figures of extensive compound cables that user can DIY easily:

**Video Out connection**

RJ45	BNC Video Out	
8	1	Signal
1	2	GND

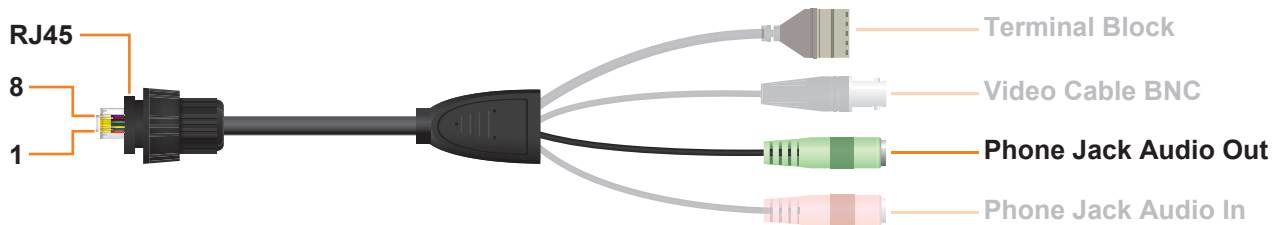

**FE-501OD Water-Proof RJ45 Connector Installation Guide**

**Audio IN connection**

RJ45	Phone Jack Audio IN
6	1 Signal
4	3 GND

**Audio Out connection**

RJ45	Phone Jack Audio Out
7	1 Signal
4	3 GND

**DO/DI/Default connection**

RJ45	Terminal Block
1	1 DO_COM
2	2 DO_NO
3	3 DI
5	5 Default
4	4 GND
4	6 GND

Pin Number	Pin Definition	Pin Number	Pin Definition
1	DO_COM	5	Default Setting
2	DO_NO	6	Audio In
3	DI	7	Audio Out
4	GND	8	CVBS Out
