- CE marking

Description

Limits and methods of measurement of radio disturbance characteristics of information technology equipment

Information Technology equipment-Immunity characteristics-Limits And Methods of measurement

Safety for information technology equipment including electrical Business equipment

Manufacturer/Importer

Signature : 

Name : Albert Yeh

Position/ Title : Vice President

Place : Taiwan Date : 2012/12/11

Regulatory Approvals

• FCC Statement

This equipment has been tested and found to comply with the limits for a Class B digital device pursuant to Part 15 of the FCC Rules. These limits are designed to provide reasonable protection against harmful interferences when the equipment is operating in a commercial area. This equipment generates, uses and may radiate radio frequency energy, and if not installed in accordance with the user guide, may cause interference in the transmission of radio communications. If operating in a residential area, it is probable this equipment will cause harmful interference, in which case the user will be required to try to correct this interference using his own means.

• CE Statement

This product complies with the 99/5/EEC directives, including the following safety and EMC standards:

- EN 55022: 2010 (Class B)
Limits and methods of measurement of radio disturbance characteristics of information technology equipment
- EN 55024:2010
Information Technology equipment-Immunity characteristics-Limits And Methods of measurement
- EN 60950-1:2006+ A11:2009+ A1:2010+ A12:2011
Safety for information technology equipment including electrical Business equipment

• CE Marking Warning

This is a Class B product. In a domestic environment this product may cause radio interference in which case the user may be required to take adequate measures.

• Directive 1999 / 5 / EC

- EN**
OvisLink Corporation declares that this device is in compliance with the essential requirements and other relevant provisions of directive 1999/5/EC.
- DE**
OvisLink Corporation erklärt hiermit, dass dieses Gerät den grundlegenden Vorschriften und anderen relevanten Bestimmungen der EG-Richtlinie 1995/5/EC entspricht.
- FR**
