

MU-7000AVs

3.5" Network Multimedia Home Entertainment Center

The MU-7000AVs is a compact & excellent quality portable multimedia player. It gives you freedom to playback all of your favorite video and audio files anywhere you go - at home, in the hotel room, in the office. It supports various video formats such as AVI (DivX, XviD), DAT, MPG, VOB etc. Apart from that, it can be used as a multimedia player, MP3 player or photo slider in your living room.

Network Multimedia Home Entertainment Center

Networking Share Station

Ultimate proof that the MU-7000AVs is multimedia wonder can be seen with the Bit torrent function. You can set your Bit torrent download location to MU-7000AVs and once the torrent has been downloaded you can share your entertainment without any limits. Enjoy your home entertainment while you are watching movies or listening to music.

Store Video to your MU7000AVs

The MU-7000AVs is a wired multimedia server with one 3.5" Hard Drive bay and a USB 2.0 port. Therefore, you can install any 3.5" SATA or IDE Hard Drive and share it instantly on the network. Users can use My Network Place to access the Hard Drive. You can even set it as a network Drive.

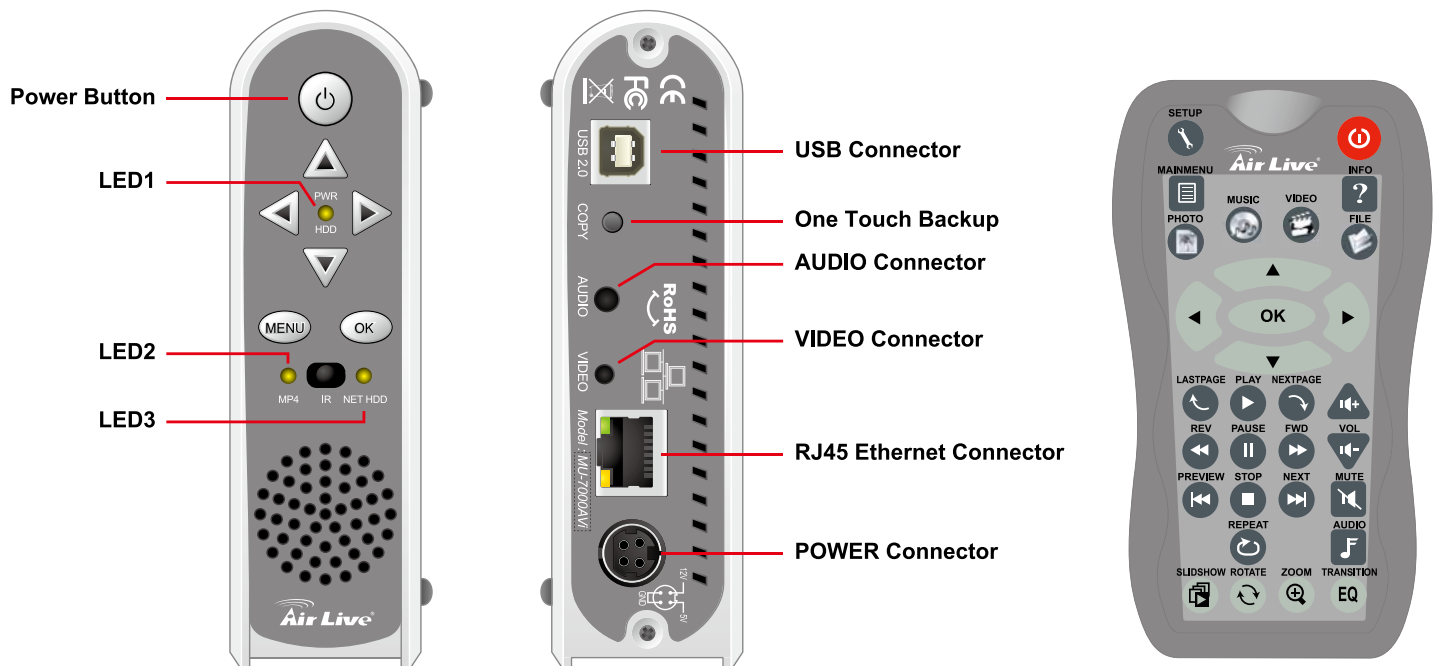

Play Videos Directly form HDD

MU7000AVs, an USB2.0/Ethernet combo HDD Storage, integrates Multimedia & Network as a home entertainment center. It not only plays movies, music & photos directly onto your TV, but it also enables users to share, store and play multimedia files by connecting it to a wired or wireless router.

Kids-Lock Function

This function acts as a parental control agent. It will lock the hard drive partition, if there are files on your hard disk that you do not wish you're the youngest members of your family to access. You can simply setup the password to prevent unauthorized access. You cannot enter the partition unless you enter the correct password.

Packaging

Specifications

Model Name
- MU-7000AVs

Color
- Sliver

Case Material
- Aluminum + Nickel-plated Frame

Main Application
- Any 3.5" IDE/SATA hard drive disk
- 32-bit RISC
